

Ohki Forest

Native spirituality for personal vision & collective transformation

Dear Students & Friends of Ohki & Amalia

We are especially delighted to announce **Ohki & Amalia's** return for an in-depth teaching visit **Thursday, September 7 until Sunday, November 5!**

Ohki offers her amazing teachings & powerful healings for you in her breathtaking, spacious, new permanent Red Wind Medicine Center of New Mexico, an incredible place on 5 acres of open land. Amalia offers her potent Crystal Healings as well as her balancing Medicine pouches & restorative facials.

We invite you to come experience their work & this magical place, surrounded by mountain views in every direction & near the ancestral land of the old San Marcos Pueblo, a most sacred site still visited by many Pueblo Natives including the Hopis.

**Without a doubt this place was sent to us by spirits & Ohki's guides!
It's an easy, beautiful drive on Highway 14 only 23 minutes South of Santa Fe.**

We are so excited to bring this great news to you & look forward to sharing a powerfully sacred time with you here this fall as we welcome you into this awesome manifestation of the potent vision Ohki has carried & worked towards for over 3 decades.

**It will be a truly joyous celebration!!
Please join!**

We will send Ohki & Amalia's brochures sometime in late May or early June.

Plan ahead to join us!

With warmest greetings to all of you,
Patricia Worth & Mary Jo Fernandez
for Ohki Forest, Amalia Ixmale Forest & Red Wind Councils

**Check out our newly updated [Red Wind website](#)
with new photos & all.**

And please help us spread the word of Ohki & Amalia's return
by sharing this email with others. Many thanks!
